

Voluntary Teacher Gift Program

Let the Schechter Parents Association (SPA) help your family organize teacher gifts!

Remembering teachers by sending gifts at the busy times of Chanukah and end-of-the-year has been a longtime Gross Schechter Day School tradition. To help families, the Schechter Parent's Association developed the Voluntary Teacher Gift Program.

This program:

-  Assures an equal way of saying thank-you to all teachers.
-  Relieves parents of the need to shop during busy times.
-  Eliminates the possibility of accidentally missing a teacher.
-  Provides the ability to give a meaningful gift by combining resources.
-  Solves the problem of what to give each teacher.

Remember:

-  Your \$45 gift **per student** covers gifts for not only Judaic and General Studies teachers, but also all assistants and specialists.
-  The program is voluntary; however, if you participate, the cost is \$45 **per student**.

Simply return this form to the school marked "Attention: Schechter Parents Association Teacher Gift Program." Please make check payable to Gross Schechter Day School. Call Rayna Solomon at (440) 684-0175 with any questions or email her at raynasolo@sbcglobal.net
